From the PRESIDENT

To the NAA Family,

On behalf of the University of Alabama National Alumni Association, we are pleased to provide you with this 2012–2013 honor roll booklet. The continued success and achievements of your association are evident in the following pages, and we gratefully acknowledge your support. The NAA has functioned at a championship level for many years, and your generosity was again the driving force behind our record-setting performance in the last year.

The NAA is proud to report that \$4 million in scholarship assistance was provided to more than 2,400 students this year. All of your donations, regardless of the amounts, are greatly appreciated. As this report reflects, these funds are making a huge impact on the University's ability to attract the best and brightest students.

Our outstanding team at the Office of Alumni Affairs continues to place a strong emphasis on chapter development. It is through this grassroots effort that the NAA is able to sell our great University to prospective students and grow the ranks of our association members. As of Dec. 31, 2012, we boast a total of 103 active chapters, with 48 in Alabama and 55 out of state.

One of our goals for the coming year is to break the all-time record for active memberships, and we could very well have done so by the time you receive this report! We need your help in sharing our story with all University of Alabama graduates and friends so they can experience firsthand the benefits of membership.

I am eager to begin serving as NAA president this year, and I hope to create even more friendships at various alumni events on campus and in chapters across the country. Thank you for your continued support of and devotion to the Capstone!

Roll Tide!

From the DIRECTOR

Dear UA Alumni and Friends,

Can you ever remember a better time to be a part of The University of Alabama? Excellence is exemplified all over campus—academically, socially, culturally and athletically. The University continues to attract the best and brightest students from the state of Alabama, as well as from around the country.

Leading our alma mater during this unprecedented period is Dr. Judy Bonner, its 28th president. Dr. Bonner has been an integral part of the success we have enjoyed over the past decade. Her passion and leadership will maintain and build upon the positive momentum created during the past several years.

Your National Alumni Association continues to play a vital role in the success of The University of Alabama. Scholarship support, provided by so many of our members and alumni chapters across the country, helps attract promising young students to the Capstone. The National Alumni Association currently administers nearly 450 endowed scholarships, representing millions of dollars of support to literally thousands of students.

As always, student recruitment is a keen focus of the NAA. Through our vast network of alumni and friends, prospective students and their families are referred to our Discovering BAMA program. These highly personalized, individual tours of campus continue to grow in popularity and effectiveness. In the first six months of this fiscal year alone, we have hosted hundreds of interested students and their parents. From Alabama to California, New York to Florida and all points in between, students have come to discover all that The University of Alabama has to offer.

Your Alumni Association could not sustain these worthwhile programs without your generous support. Not only do your contributions assist the scholarship and student recruitment efforts outlined above, they also allow us to fund student organizations, University programs and beloved traditions, such as our annual homecoming celebration. To learn more about the programs of the NAA, visit alumni.ua.edu.

Member contributions for 2012 totaled \$2,215,338, which represents a 4.6 percent increase over the prior year. The following honor roll recognizes individuals who gave unrestricted donations to the Alumni Fund in the amount of \$100 or more during the 2012 calendar year.

Best Wishes and Roll Tide!

Ways to GIVE

A gift to the Alumni Fund of The University of Alabama's National Alumni Association can take many forms. It can be:

- a gift of cash
- a gift of stocks, bonds, real estate or other property (art, books, etc.)
- a corporate matching gift
- a gift through your will or living trust
- a charitable trust or other life income plan
- a named beneficiary in your retirement or insurance policy or certificate of deposit

You can also use the above options to create an endowment gift to the National Alumni Association in support of its scholarship program. Perhaps the most rewarding aspect of establishing an endowed scholarship fund is that it will allow you to directly accomplish your goals in giving while helping the University achieve its institutional initiatives through the NAA. The principal is invested in the UA System Pooled Endowment Fund for safe growth over time, and the annual endowment income from this investment enables the Alumni Association to award scholarships to qualified recipients each year, according to the terms agreed upon by you and the National Alumni Association. Scholarship endowments may be established by individuals, businesses or alumni chapters, and gifts may be given over a period of five years. You can also add to your endowment, beyond the minimum funding level, through lifetime gifts and through a beneficiary designation in your estate plan.
