FROM THE PRESIDENT

O,

n behalf of the University of Alabama National Alumni Association, we are pleased to provide you with this 2014–2015 honor roll booklet.

Once again, the NAA has exceeded previous years, awarding a record 2,500 scholarships totaling more than \$4.8 million. This reflects 18 new endowed scholarships that were awarded for the first time. Among the recipients are 645 students who received Alumni Heritage Scholarships and/or Alumni Scholar Awards because their parents or grandparents are active NAA members.

As you look through this booklet, I would like for you to envision what these dollars have done for each of the recipients, the donors themselves and the University. Because of your generosity, The University of Alabama continues its tradition of academic excellence by rewarding hard work. Every donation makes a difference, so I encourage you to give at any level.

Our outstanding employees at the Office of Alumni Affairs continue to support chapter development all over the country. Now more than ever, you can continue your Crimson Tide relationships almost anywhere you live. Through their efforts and support, there are 50 chapters in Alabama, as well as 55 out of state. Seven new chapters were created this year, including ones in Las Vegas, San Diego and Portland, Oregon. The NAA needs your participation, both at the local and national level, as we continue to spread the great news about all that UA has to offer.

The NAA needs your participation, both at the local and national level, as we continue to spread the great news about all that UA has to offer.

It is a privilege for me to serve as your president in the coming year. I look forward to attending chapter gatherings across the state and country and hope to see you there. Thank you for your love for and support of The University of Alabama.

Roll Tide!

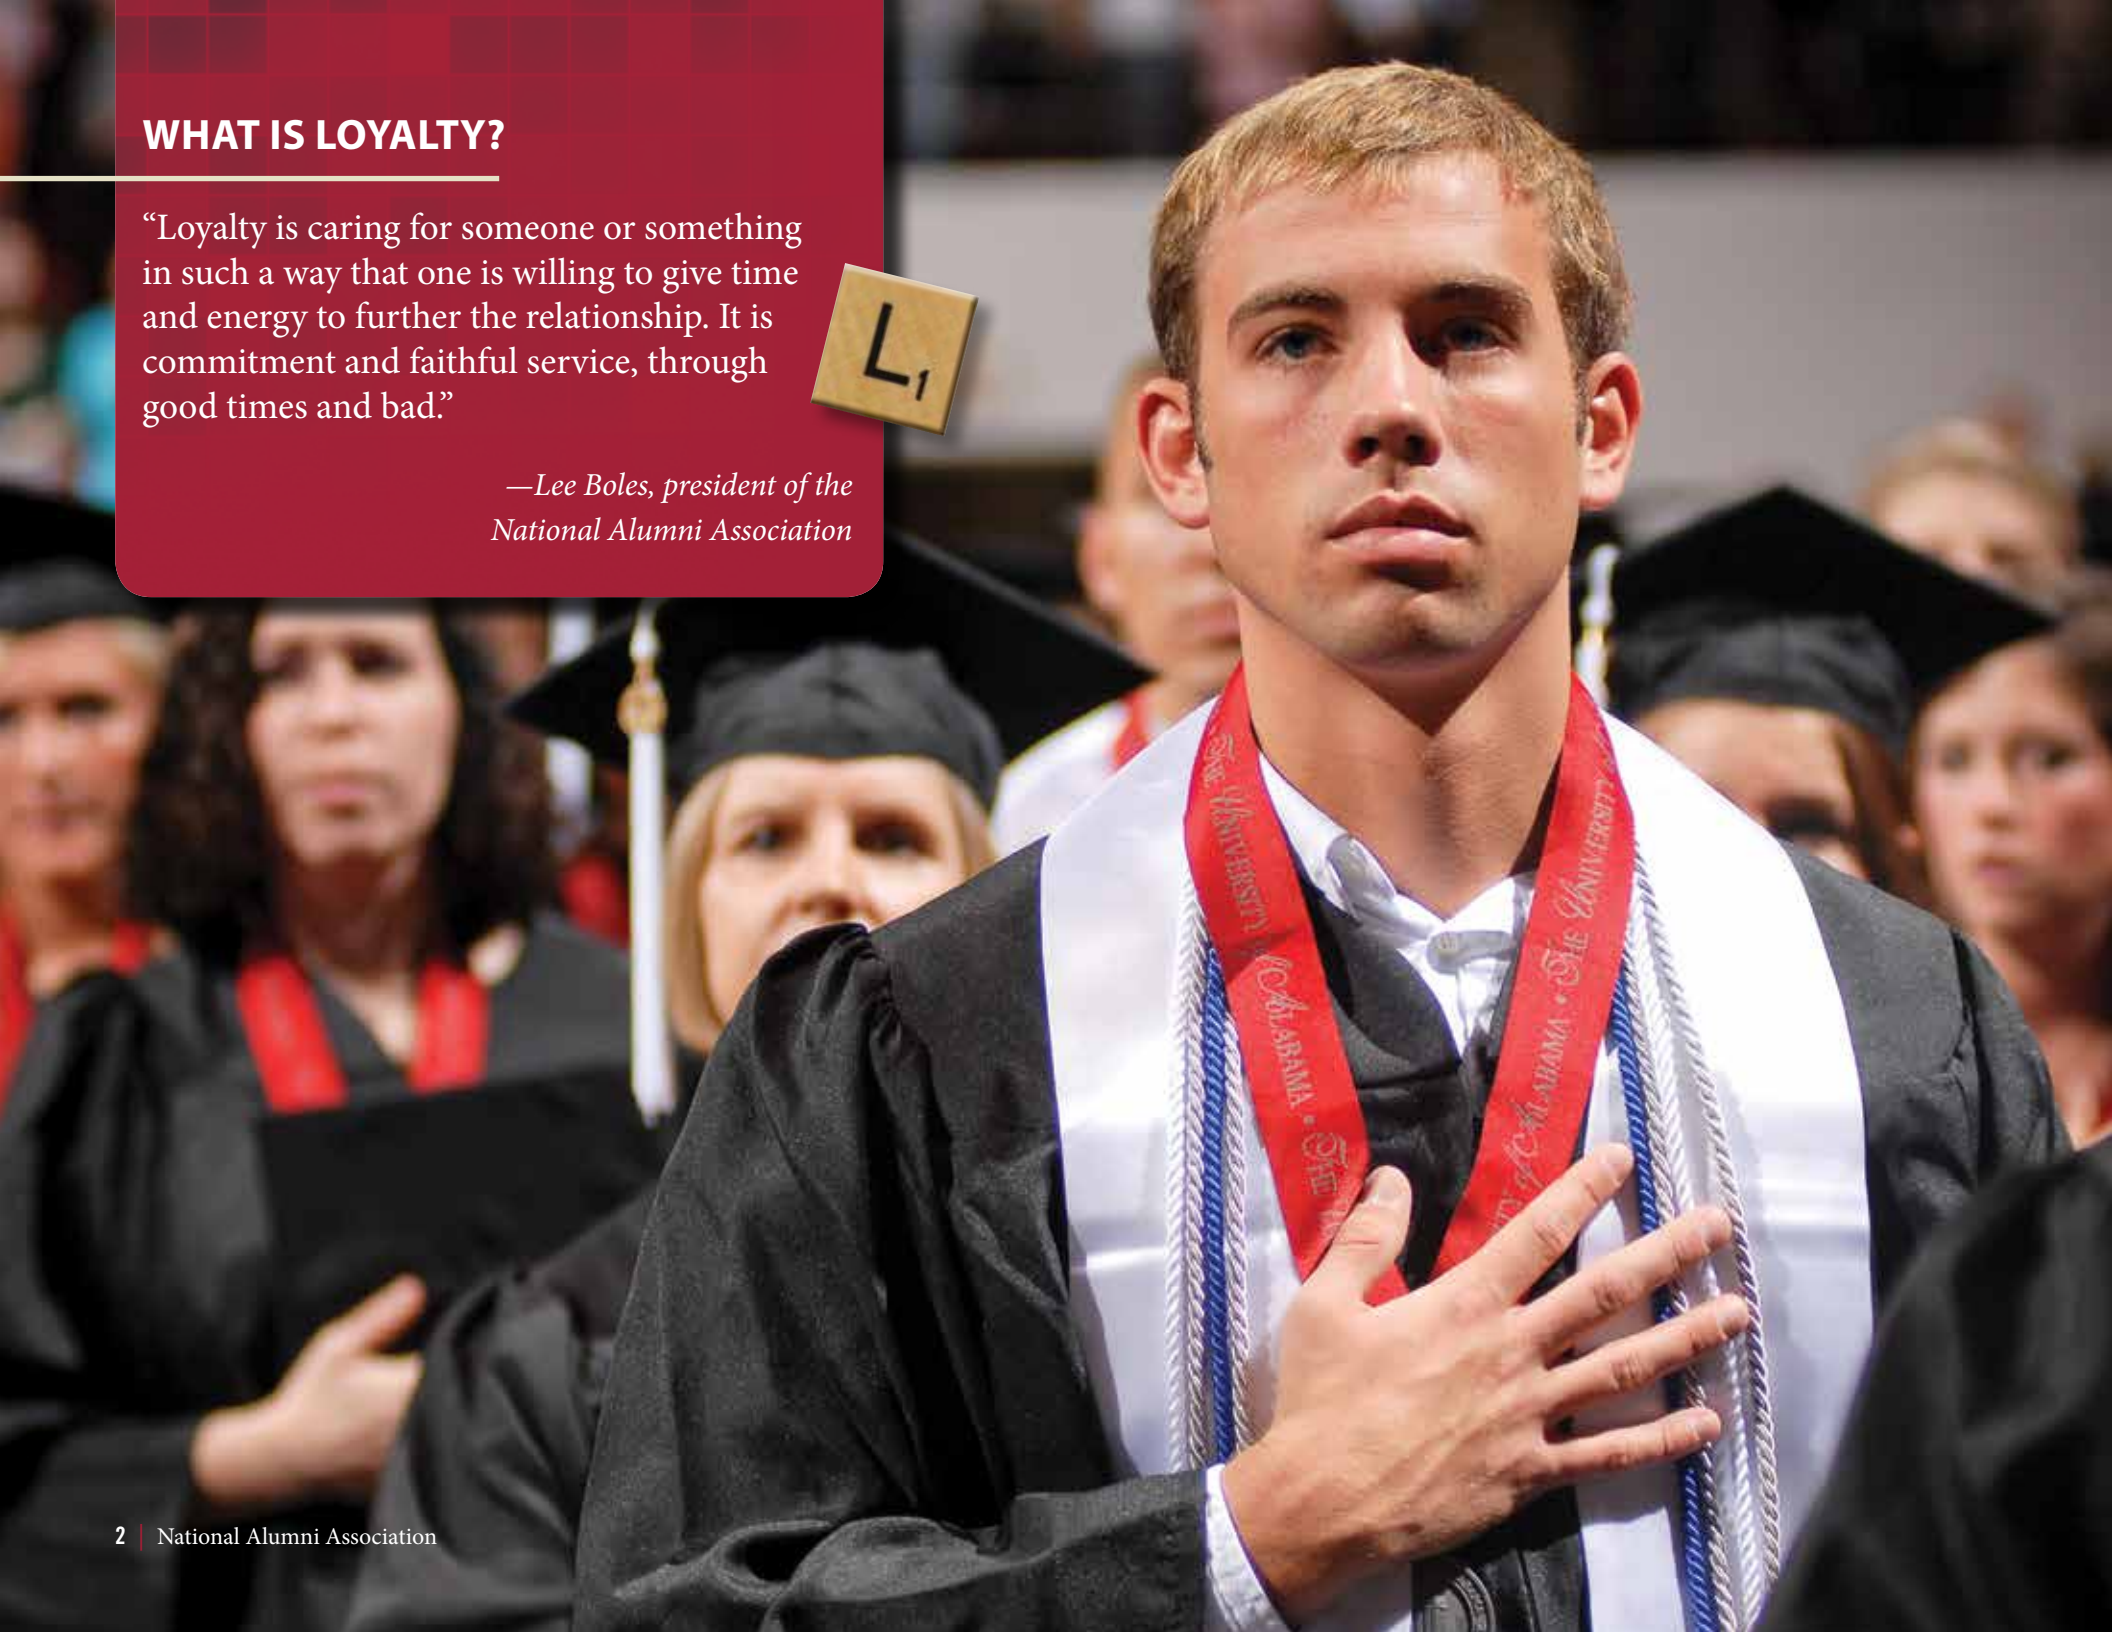

Lee Watkins Boles, BS '81

2015–2016 President, National Alumni Association

WHAT IS LOYALTY?

“Loyalty is caring for someone or something in such a way that one is willing to give time and energy to further the relationship. It is commitment and faithful service, through good times and bad.”

—Lee Boles, president of the
National Alumni Association

WHAT IS POTENTIAL?

“Potential is crucial to an ideal of hope. It carries a promise and sometimes harbors a miracle, and is the shining light that we walk toward, knowing that our passage may not be easy, and understanding that the realization of our potential will always be a matter of putting in the hard work needed to achieve it.”

Due to the outstanding generosity of our donors, the lists of Alumni Heritage Scholarship and Alumni Scholar Award recipients are too lengthy for inclusion in the printed booklet. They can be found online in a full scholarship listing at alumni.ua.edu/scholarships.

FROM THE DIRECTOR

Every day, I have the privilege of working on the campus of The University of Alabama. I see firsthand the young men and women who make up our outstanding student body crisscrossing this beautiful campus. They come from every state and dozens of foreign countries. Their interests are as wide and varied as their hometowns. They are here enjoying the UA experience, just as so many of you did, and their time here will open a world of opportunities many of them never dreamed of. You helped make that possible. Your hard work and membership donations will help transform the lives of young people for years to come.

Your membership also helps us assist The University of Alabama in recruiting the best and brightest students to campus. One way this happens is through the NAA's Discovering BAMA program, which provides a personalized tour of campus to prospective students and their families and has become a powerful student recruitment tool.

Your membership matters in many other ways as well. It is vitally important in aiding the growth of our chapter network around the country, publishing our award-winning *Alabama Alumni Magazine*, creating memorable events at A-Day and homecoming, and keeping you, our members, engaged and informed. To learn more about what's taking place at your NAA, visit our website at alumni.ua.edu.

It is my honor to serve as your director. Thank you for allowing us to carry out the mission of the National

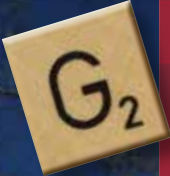

Your hard work and membership donations will help transform the lives of young people for years to come.

Alumni Association. Member contributions for 2014 totaled \$2,324,562, and the following list recognizes individuals who gave unrestricted donations to the Alumni Fund in the amount of \$100 or more during the year.

WHAT IS GENEROSITY?

“Generosity means not only possessing great kindness, but also a readiness to share that kindness with many, in every circumstance or situation. What matters is not the means available with which to be benevolent, but rather the willingness to give.”

WHAT IS INNOVATION?

“Innovation is fundamentally about introducing new ideas and devices or different ways of doing things. It culminates with the conversion of great concepts into products and services to bring the economy growth and employment. The ability to develop a generation of innovators is key for our nation.”

A young man in a tuxedo is playing a violin. He is shown in profile, looking down at his instrument. The background is dark and smoky, with light catching the dust or smoke particles. The violin is a rich, reddish-brown color. The lighting is dramatic, highlighting the man's face and the violin.

WHAT IS BEAUTY?

B₃

“Beauty is the awe felt when encountering elements of nature and human expression—an elegant mathematical formula, the inexpressible movement of a dancer, or the vast richness of language and thought. Beauty is a glimpse of the wonder of the universe in one’s surroundings.”

WHAT IS COLLABORATION?

“Collaboration is the process of bringing together people from various disciplines and with diverse backgrounds to develop ideas and creative solutions to challenges confronting our cities, states, nations and world. No one person can solve the issues and problems we face on an international scale; it takes a collaborative team.”

WHAT IS INTEGRITY?

“Integrity is the very definition of ethos, one of Aristotle’s modes of persuasion—good character even in the face of adversity and steadfastness in the pursuit of truth. It encompasses not only moral competence, but also expertise and knowledge.”

WHAT IS HOSPITALITY?

“Hospitality is the art of graciously and generously welcoming visitors in a way that shows respect for them and provides for their needs with kindness. It is a warm and heartfelt reception that ensures that everyone feels comfortable and included, regardless of where they came from or where they’re going.”

WHAT IS WELLNESS?

“Wellness is the existence of positive health, shown by quality of life and a sense of well-being. It requires physical security, social equity, and emotional, spiritual and relational stability, the collection of which allows the pursuit of a productive and full life as part of a community.”

WHAT IS JUSTICE?

“Justice is that ineffable constellation of qualities by which we measure the rightness of an action, rule or institutional arrangement. In substance, justice aspires to the community’s conception of fairness, the common good and the equal dignity of all persons.”

WHAT IS ACCESSIBILITY?

“Accessibility is the quality of being available when needed, or making resources obtainable on a wide scale through convenient channels. Being accessible ensures an objective can be reached from anywhere, because while the end goal is important, so is the journey.”

WHAT IS EMPATHY?

“Empathy is experiencing another’s pain, happiness or fear along with them, the sharing of an experience by the sharing of emotions. It is seeing yourself reflected in another, and wanting to help that person traverse a path that is familiar to you.”

WHAT IS COMPASSION?

“Compassion is caring for others and attending to their needs before one’s own. It is a desire to help—despite the odds, despite the sacrifices—and is the underlying foundation of charity and humanity. Someone who feels compassion considers it a blessing rather than a burden to respond to those in need.”

WHAT IS SPORTSMANSHIP?

S,

“If it is true that sports can teach great life lessons to participants, then sportsmanship would rank highly on a list of values. Fair play, respect for opponents and graciousness in winning or losing are attributes that make the world better. Knute Rockne once said, ‘One man practicing sportsmanship is far better than a hundred teaching it.’”

WAYS TO GIVE

gift to the Alumni Fund of The University of Alabama's National Alumni Association can take many forms. It can be:

- a gift of cash
- a gift of stocks, bonds, real estate or other property (art, books, etc.)
- a corporate matching gift
- a gift through your will or living trust
- a charitable trust or other life income plan
- a named beneficiary in your retirement, insurance policy or certificate of deposit

You can also use the above options to create an endowment gift to the National Alumni Association in support of its scholarship program. Perhaps the most rewarding aspect of establishing an endowed scholarship fund is that it will allow you to directly accomplish your goals in giving while helping the University achieve its institutional initiatives through the NAA. The principal is invested in the UA System Pooled Endowment Fund for safe growth over time, and the annual endowment income from this investment enables the Alumni Association to award scholarships to qualified recipients each year, according to the terms agreed upon by you and the association. Scholarship endowments may be established by individuals, businesses or alumni chapters, and gifts may be given over a period of five years. You can also add to your endowment, beyond the minimum funding level, through lifetime gifts and through a beneficiary designation in your estate plan.
