ALASKA'S GLACIERS AND THE INSIDE PASSAGE

THE UNIVERSITY OF
ALABAMA
ALUMNI

Join this one-of-a-kind, exploration-style, seven-night cruise through the Inside Passage from Juneau, Alaska, to Vancouver, British Columbia, during the long days of summer. The exclusively chartered Five-Star small ship M.S. LE SOLÉAL, specially designed to navigate isolated inlets and coves inaccessible to larger vessels, brings you up close to the most spectacular scenery of southeastern Alaska and Canada and offers you a superior viewing experience. From sheltered observation decks, during naturalist-led Zodiac excursions and from the comfort of ocean-view Suites and Staterooms, most with a private balcony, see Arctic-blue glaciers, rarely observed marine life, towering mountains, untouched coastlines and abundant wildlife. Call at the historic and inviting fishing towns of Sitka, Petersburg and Ketchikan, where you will step back into the gold rush era and discover the living heritage of the Tlingit people, an indigenous tribe of the Pacific Northwest coast. An onboard team of naturalists provides a series of lectures about the local wildlife and landscapes. Fairbanks and Denali National Park Pre-Cruise Option and Vancouver and Vancouver Island Post-Cruise Option.

Look for the magnificent humpback whales breaching and displaying their flukes in the calm waters of the spectacular Inside Passage.

Fairbanks And Denali National Park PRE-CRUISE OPTION

Alaska's Inside Passage, where the water meets the wild, is the gateway to terra incognita. Travel inland, deep into the pristine wilderness of America's six-million-acre Denali National Park, home to Mt. McKinley, North America's tallest peak, then venture further up the rolling green tundra to the former frontier trading post, Fairbanks, for the perfect conclusion to your northern experience. Spend two nights in a lodge located near the park's entrance. In the heart of Denali, a park guide will help you look for Denali's amazing wildlife—moose, bear, caribou, wolves, Dall sheep and raptors. Travel aboard a domed train offering open-air observation platforms and stunning 360-degree views of the mountains, gorges and spruce forests during the journey to Fairbanks. Spend two nights in Fairbanks, then continue to Anchorage for one night in "the City of Lights and Flowers."
