♦ MALAMALA PRIVATE GAME RESERVE Post-Program Option

Johannesburg, South Africa/Soweto/Pretoria

“A world in one country,” South Africa is perhaps the most diverse, multi-faceted country on Earth. Cosmopolitan Johannesburg, known colloquially as “Joburg,” is home to one of the world’s largest urban forests, where amid some of the tallest buildings on the continent, more than six million trees flourish in the pleasant subtropical highland climate. The city has been a fast-paced center of commerce and opportunity ever since European prospectors settled here upon the discovery of its gold reef in 1886.

Few places reflect South Africa’s history like Johannesburg’s once-infamous South Western

“Education is the most powerful weapon you can use to change the world.”
—Nelson Mandela

Cover photo: The water level at Victoria Falls varies throughout the year; during the dry season it is possible to walk through some parts of the falls, but during floods the water flows at over 132,000 gallons per minute.

Photo this page: Table Mountain, the most iconic landmark of South Africa, reaches 3563 feet above sea level and supports over 2200 species of plants, making a spectacular backdrop to Cape Town and its stunning harbor.
Townships, better known as Soweto. No longer a shantytown of segregated goldmine workers, this thriving community, pivotal in the anti-apartheid movement, endures as a broad cross section of South African daily life—from shack settlements to a rising middle class to millionaires. Its Vilakazi Street even fostered two Nobel Peace Prize laureates, Nelson Mandela and Desmond Tutu. North of Johannesburg is the vibrant capital city of Pretoria, known for its diverse architecture, purple-blossomed jacaranda trees and distinctly Afrikaans culture.

Commence your journey in the footsteps of Nelson Mandela in Soweto. Visit Mandela’s house and the Hector Pieterson Memorial, an iconic symbol of the historic 1976 apartheid protests. Tour the evocative exhibits in Johannesburg’s Apartheid Museum, and visit historic Liliesleaf Farm, once the epicenter of the liberation movement and a refuge for its leaders and today a museum and world-famous cultural heritage site.

Enjoy the Welcome Reception and Dinner with special guest speaker Nicholas Wolpe, founder and CEO of the Liliesleaf Farm Trust. Wolpe will share an insider’s perspective on the historic events surrounding Liliesleaf and the African National Congress (ANC). In Pretoria, see the Union Buildings, originally designed with two wings representing the union of the formerly divided English and Afrikaners, and the formal garden where Mandela gave his historic presidential inauguration speech (1994). Visit the Voortrekker Monument, built to honor the mid-19th-century Dutch Voortrekkers (pioneers), who emigrated from the Cape Colony to the inland highveld.

Cape Town/Robben Island
South Africa’s “Garden City” of Cape Town is one of the world’s most beautiful cities, adjacent to the UNESCO World Heritage Cape Floral Kingdom, which sustains over 4000 plant species; majestic Table Mountain National Park; and the world-class Cape Winelands. Founded by the Dutch East India Company as a supply station, Cape Town today is a vibrant, cosmopolitan capital city of meticulously preserved Edwardian and Victorian buildings and outstanding examples of Cape Dutch architecture. Ascend Table Mountain by cable car (weather permitting) for sweeping city and coastal views, and ride a funicular to lofty Cape Point. See the historic City Hall, where Mandela made his first public speech just hours after his release from prison. Visit Boulders Beach in Simon’s Town for a rare, up-close look at a protected colony of endangered African penguins nesting in sand burrows.

Your Robben Island prison, a UNESCO World Heritage site, where Nelson Mandela and other political prisoners made strides in attaining equal rights during apartheid despite the inhumane conditions they experienced. Its storied interior provides an invaluable perspective on South Africa’s social and political transformation.

In a private home in Cape Town’s Bo-Kaap township, savor the unique aromatic spices of traditional Cape Malay cuisine—a unique fusion of South African, Dutch and Malaysian flavors—during an intimate, specially arranged **C'est Bon! Culinary Traditions** dinner.

Seek out Africa’s “Big Five” wildlife species, including leopard, during a game drive in Chobe National Park.

Observe the unique symbiosis between species in this unspoiled ecosystem.
Experience the extraordinary Cape Winelands along the world-renowned Stellenbosch Wine Route. During a visit to the historic Vergelegen Cape Dutch Manor House, founded in 1700, enjoy a private tasting of the region’s signature Pinotage red wine. Stroll through its picturesque formal gardens underneath the vast camphor laurel trees, planted in 1705, which constitute a protected provincial heritage site. Then, enjoy a specially arranged lunch with wine pairings at Boschendal, one of the oldest wine estates in South Africa, founded in 1685 and once owned by Cecil Rhodes. Located in the picturesque Drakenstein Valley between the Drakenstein and Simonsberg mountains, the rolling vineyards at Boschendal are planted with five different types of grape.

Chobe National Park, Botswana
Comprised of lush floodplains, marshland and dense mahogany and teak woodland, northern Botswana’s vast, diverse Chobe National Park is one of the last surviving wild areas on the continent, with a landscape reminiscent of the Africa known by explorer David Livingstone, author Karen Blixen and big game hunter Denys Finch Hatton. It is brimming with wildlife and especially so along the Chobe River, with water in plentiful supply year round. This park is home to one of the densest Kalahari elephant populations on the African continent (approximately 120,000) as well as lion, cheetah, leopard, zebra, impala, hyena, wildebeest, warthog, hippopotamus, crocodile, water buffalo and more than 450 bird species, including helmeted guinea fowl and red-billed wood hoopoes.

Victoria Falls, Zimbabwe
Walk the trail along the edge of thundering Victoria Falls, a UNESCO World Heritage site, one of the Seven Natural Wonders of the World and among the largest waterfalls on Earth. Here, the wide Zambezi River, after meandering through a basalt plateau, suddenly plummets into a 355-foot gorge, creating frothy rapids and vaulting a majestic, rainbow-hued mist. Originally built in 1904 and named his discovery after Queen Victoria. See the impressive Victoria Falls Bridge, an engineering marvel that was surveyed; designed and constructed in England; then transported to the Zambezi River gorge; and finally reassembled in only five years, becoming the only rail link between Zambia and Zimbabwe.

MalaMala Private Game Reserve Post-Program Option
Experience even more of South Africa’s natural wonders in the country’s largest private “Big Five” game reserve. Renowned for the quality of its leopard viewing, MalaMala is ideally nestled between the Sabi Sands Game Reserve and Kruger National Park, with which it shares an unfenced border so wildlife can roam freely between the reserves. Marvel at the abundance of wildlife during early morning game drives; experience a walking safari with the ranger; and enjoy an afternoon game drive taking you deep into the bush, where you may encounter some of South Africa’s top carnivores—cheetah, hyena and lion. Spend two nights in the Five-Star MalaMala Main Camp along the banks of the Sand River, featuring thatched, air-conditioned accommodations with private modern facilities.

The Post-Program Option is available at an additional cost. Details will be provided with your reservation confirmation.
