Dear Alabama senior:

Congratulations on your anticipated graduation! Have you thought about how you will celebrate this milestone?

The University of Alabama Alumni Association is pleased to present a celebratory graduation tour: Classic Europe. It offers the chance to visit Europe's must-see destinations before settling down into a new job or graduate school. This trip is a metropolitan tour of Europe designed for new graduates and friends of The University of Alabama and select peer institutions.

The Classic Europe tour is a great value and offers:

- The opportunity for fun, hassle-free travel with other graduates
- Insights into other people, places and cultures that will be a source of personal enrichment
- Experiences that will broaden your world view and provide an advantage in today's global job market
- A vacation to remember and a reward for all of your hard work

You will travel in comfort and safety, in the company of other University of Alabama grads. In fact, group travel provides increased security, for there are no hardships or uncertainties, no going at it alone!

You will be aided by a private tour director, private motor coach driver and local city historians.

Learning is life-long and will not stop when you graduate from The University of Alabama. Travel is an excellent form of education and offers unparalleled opportunities for hands-on learning.

We hope that you will be able to experience this great opportunity, see exciting destinations, learn more about our world, relax and unwind on a great holiday – and continue a strong relationship with The University of Alabama.
